GRANDEUR IN BARCELONA

POSTED FRIDAY, MARCH 07, 2008

Where do Lenny Kravitz and Jennifer Lopez stay when they want to soak up the culture and atmosphere of Barcelona? Why, the Gran Hotel La Florida, of course! Located at the top of Mount Tibidabo, the hotel nestles 500 metres above Barcelona. The panoramic views over the city and the Mediterranean beyond are jaw-dropping, especially if you see them from the hotel's Sky Terrace suites.

Read more about the hotel [here](#), and find out all about Barcelona in our [destination guide](#).

GLAMOUR AND SECLUSION IN MARRAKECH

POSTED MONDAY, FEBRUARY 18, 2008

Marrakech is a great destination for some celebrity spotting, but if you really want to make sure you get to see some real Hollywood glamour while you're in town, make sure you pay Es Saadi Gardens and Resort a visit. The beautiful hotel has 10 stunning villas, each located within their own garden, giving stars (including Martin Scorsese, Catherine Deneuve and Matt Dillon) all the seclusion they need. The spa offers plenty of pampering treatments, but you should also visit the hotel's own casino to catch some A-list action.

GLAMOROUS HAUNTS

POSTED TUESDAY, DECEMBER 18, 2007

Burlesque dancer and pinup Dita Von Teese loves to travel to places steeped in history and stay in hotels with character. Her favourite city is Paris - where she hopes to live one day and, for her, there is nowhere better than L'Hôtel on the Left Bank, originally part of the palace of La Reine Margot. Another of the performance artist's favourites is a small hotel near the Champs Elysées, the Hôtel Chalgrin, one of her must-visits when in the French capital. When back in the USA, she prefers to stay in the Grand Hotel on Mackinac Island, Michigan or, for a spot of sun, at the Hotel Del Coronado in San Diego, California.
